360° Cinema Experience

Your tour visit starts in the unique circular cinema. The 20 minute surround vision film, full of amazing special effects instantly transports you into the magical world of wine. Fly over the beautiful North Downs of Surrey and witness the breathtaking landscape from a bird's eye view. Experience the wonder of the vineyard at its most spectacular moments throughout the year and learn about the process from vine to bottle. It will leave you gasping for more!

A Moving Experience

For the next stage of the visit, leaving the cinema you are transported at ease by our indoor "people mover". Passing through the working winery with a full commentary you will see the equipment used in today's wine production. From the grape press to the fermentation tanks and eventually to the bottling line, learn how one of the world's most ancient crafts is now perfected with the help of modern technology.
